Important Information for Teachers

Nex-Gen Portal

Utilizing our Nex-Gen Portal, you can now fill out, and return documents online including the Lifeskills Agreement, and Follow Up Teacher Survey.

Resources

On the portal, you can now find additional resources for the program under the "Lifeskills" tab. Hover over the tab and use the dropdown menu to select "Lifeskills Resources."

Once you're on the Resources page, you can access FAQs, Program Deadlines, and more!

Pre-Attendance Student Questionnaire

Our Pre-Attendance Student Questionnaire has been updated to include quiz questions. These questions allow us to gauge what the students may already know. When the students take their Follow Up Questionnaire, they will be asked these same quiz questions to show us if there has been any improvement.

Additionally, there is a short, mock job application on the Pre-Attendance Student Questionnaire. Students can type out a cover letter and resume, or copy and paste one they already have. However, doing so is optional.

Reminders

- Please have students arrive at 10:00 am. We will begin instructions at 10:15 am.
- Students, teachers, and volunteers should bring a lunch with them, unless your school chooses to provide them. Please NO pop or kool-aid (which includes drink mixes that could be added to water).
- Please provide us a class list of students attending ahead of time. This will allow us to ensure we have materials prepared for all students.
