Address:

Dear

The International Association for the Study of Pain (IASP) will host the 2026 World Congress on Pain in Bangkok, Thailand, from 26–30 October. The IASP World Congress on Pain is the largest global gathering of pain professionals, attracting more than three times the number of participants compared to any other pain meeting.

Your participation in the 2026 World Congress on Pain will be of great value. The Congress provides an unparalleled opportunity to engage with colleagues worldwide, exchange knowledge, and expand professional networks. This event brings together more than 6,000 scientists, clinicians, and healthcare providers from across the globe and the full spectrum of pain disciplines.

IASP will not provide travel reimbursement, honoraria, or any form of financial remuneration for your participation in Thailand. The sole purpose of your trip will be to attend the 2026 IASP World Congress on Pain and to conduct all associated business activities on behalf of your organization in connection with the Congress.

If you have any questions, please do not hesitate to contact IASP at congress@iasp-pain.org or +1 202.856.7400. We look forward to seeing you in Bangkok.

Sincerely,

Steve Gardner

Chief Executive Officer

International Association for the Study of Pain
