How to Check Progress on Your Reviewers (Recommendations)

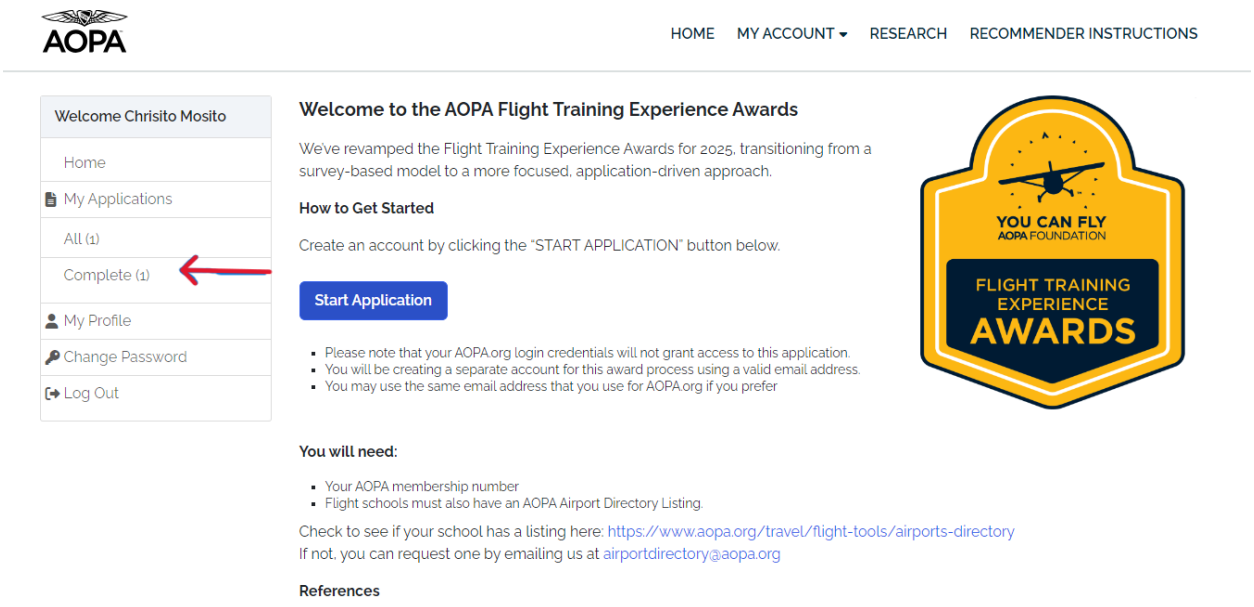

AOPA Flight Training Experience Awards

Use the following steps to view how many of your customers/colleagues have completed their review/recommendation of your application.

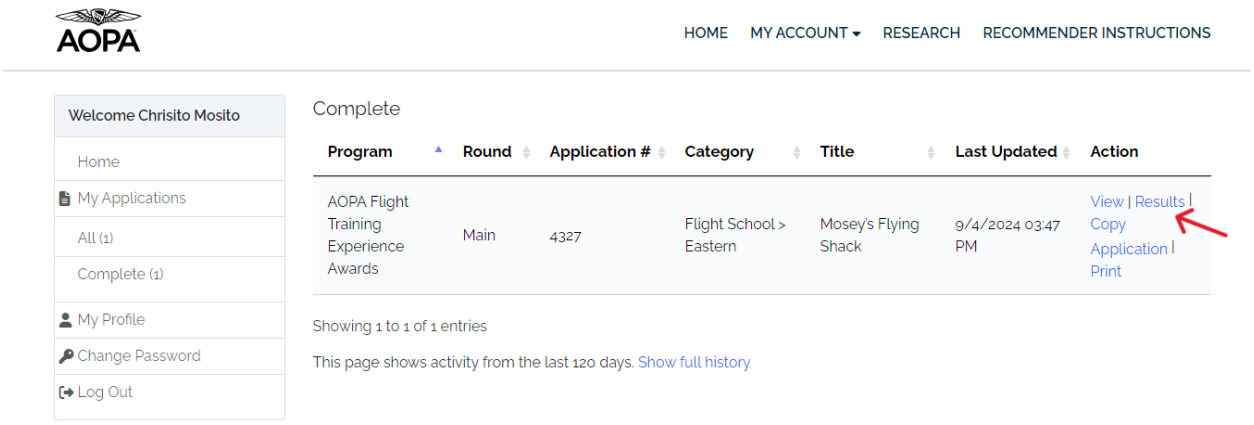

- Please remember that Schools need a minimum of 10 and Instructors need a minimum of 5 customer reviews from people who have trained with you in the past 12 month.
- You may also have colleagues (instructors, DPEs, etc.) submit reviews as long as they are in excess of the minimums listed above.

Directions for checking review/recommendation progress:

- Login to your application (https://aopafteawards.secure-platform.com/a)
- Then click on Applications > Complete in the left menu

- Once the page loads, click on results for the appropriate application

On the next page, you will able to view the names of the people who have complete reviews for you!
