Transportation Research Board
Professional Development Hours Credit Statement for Registrant Records

Many licensure and certification agencies require the demonstration of continuing professional competency. Your attendance at this meeting entitles you to earn Professional Development Hour (PDH) units. This form is for your use in maintaining a record of the PDH units you have earned at this meeting. Complete this form and retain it. **Please do not return it to TRB.**

We recommend that you save this entire Final Program for your records should the licensure or certification agency request information from you. Reporting is done on an honor basis, and members are responsible for maintaining their own records.

The table below shows the professional development hours (PDH) that can be earned for the continuing education activities included in the Transportation Research Board 2nd **International Roadside Safety Conference** held in Orlando, FL June 23-26, 2024.

DAY	TIME	TITLE		HOURS
SUNDAY June 23	8:30 a.m. – 11:30 p.m.	Sunday Monday Workshops	3.00
