

Professional Development Hours Credit Statement for Attendee's Records

Transportation Symposium on Environment, Energy and Livable Economies

Many licensure and certification agencies recognize Professional Development Hour (PDH) units toward demonstration of continuing professional competency. It is recommended that you check with your own state licensure/certification agency about their specific requirements for PDHs.

This form is for your use in maintaining a record of any PDH units you earn at the above-mentioned conference. Complete this form and retain it for your records. **Do not return it to TRB.** It is recommended that you save the full program of each lectern session or workshop you attend, in case the licensure or certification agency requests detailed information. Reporting is done on an honor basis, and individuals are responsible for maintaining their own records.

I have earned continuing-education PDHs by attending the following lectern sessions and workshops, during the above-mentioned conference.
(Note: Poster sessions do not qualify for PDH credits.)

Date	Start Time – End Time	Title	Hours
August 26, 2024	8:30AM-10:00AM	Opening Plenary Session	
August 26, 2024	10:30AM-Noon	The Impact of Sustainability and Climate Change on Economic Development and Land Use	
August 26, 2024	10:30AM-Noon	Critical Issues in Electric Vehicle Infrastructure	
August 26, 2024	10:30AM-Noon	The Lingering Impacts of Per- and Polyfluoroalkyl Substances (PFAS)	
August 26, 2024	1:00PM-2:30PM	Innovations and Technology Transforming Economic Development and Land Use	
August 26, 2024	1:00PM-2:30PM	Reducing Emissions from Long-Distance Transportation	
August 26, 2024	1:00PM-2:30PM	Sustainable Design and Technology	
August 26, 2024	3:00PM-4:30PM	Diversity, Equity, and Inclusion Considerations with Economic Development and Land Use	
August 26, 2024	3:00PM-4:30PM	Hydrogen Hubs	
August 26, 2024	3:00PM-4:30PM	Current Efforts in Upcycling and Meeting State Embodied- and Low-Carbon Mandates	
August 27, 2024	8:30AM-10:00AM	Plenary Session	
August 27, 2024	10:30AM-Noon	Influence of Changing Work and Lifestyle on Economic Development and Land Use	
August 27, 2024	10:30AM-Noon	Powering the Future: Innovative Integration of Electric Vehicles the Grid	
August 27, 2024	10:30AM-Noon	Emerging Contaminants	
August 27, 2024	1:00PM-2:30PM	Exploring Financing and Fiscal Impact Across All Modes	
August 27, 2024	1:00PM-2:30PM	Evaluating and Advancing the Equity of Electric Vehicle Adoption	
August 27, 2024	1:00PM-2:30PM	Redevelopment and Reuse of Lands and Waste Materials to Renew Transportation	
August 27, 2024	3:00PM-4:30PM	Rural and Underserved Communities Context for Economic Development and Land Use	
August 27, 2024	3:00PM-4:30PM	Decarbonizing Emerging Mobility Systems	
August 27, 2024	3:00PM-4:30PM	Salt – Deicing Alternatives Research and Impact Evaluation and Remediation	
August 28, 2024	8:30AM-10:00AM	Interaction of Moving Freight with Economic Development and Land Use	
August 28, 2024	8:30AM-10:00AM	Decarbonizing Transportation through Land Use, Housing, Transit and Active Transportation	
August 28, 2024	8:30AM-10:00AM	Stormwater Management Best Practices	
August 28, 2024	10:30AM-Noon	Pre- and Post-Project Analysis of Economic Development and Land Use Outcomes	
August 28, 2024	10:30AM-Noon	Beneficial Use of Recycled Materials in Transportation Infrastructure and Life-Cycle Assessment of Electric
