

Kevin Fair Class of 1991

Kevin Fair is widely considered one of the finest multi-sport athletes to ever graduate from Milford High School. Although he excelled in both soccer and basketball, he also played Varsity Tennis as a freshman, where he earned Rookie of the Year honors, JV Baseball as a sophomore, and Varsity Golf, where, as a senior, he played in #1 position, qualified for both the League and District Individual Championships, and was named Team MVP.

On the soccer pitch, Kevin was a four-year starter at midfield and three-year captain, the only MHS athlete to ever hold that distinction. He earned Rookie of the Year honors as a freshman on the 1987 Midland League Championship team. He was named Team MVP in each of the next three seasons, another singular distinction, earning numerous All Star selections along the way. He was chosen by opposing coaches to the All Central Mass First Team in 1988, 1989 and 1990, while scoring over 50 goals and 60 assists during his four year career, records that still stand at this time.

Kevin was just as outstanding, if not more so, on the basketball court. A three-year varsity starter, he could play anywhere on the court and was usually matched up defensively with the opponent's top scorer. As a captain and the only returning starter his senior year, Kevin scored 32 points and grabbed 18 rebounds against Algonquin in a game that clinched the 1991 Mid-Wach League Championship. He also had a triple-double with 22 points, 15 rebounds and 10 steals in the Clark Tournament Semi-finals vs Westboro and followed that up with 35 points and 20 rebounds in a losing effort vs. No. Middlesex in the Finals.

Those types of performances led to Kevin being named to numerous All Star squads as well as being chosen Team MVP. Other recognition included 1991 Mid-Wach League MVP, Clark Tournament First Team, First Team All Central Mass., and the Massachusetts Top 40 All Star and starter on the Central Mass team. Kevin was also a member of the BABC AAU State Champions in 1988, 1989, and 1990, and competed in the AAU National Championships in 1989 and was matched up against future NBA stars Chris Webber, Grant Hill and Jalen Rose.

Danielle Parretti Fallon Class of 2006

When Danielle Parretti entered MHS as a freshman, she was looking to take up a sport that would allow her to use the individual gymnastics skills she had developed since elementary school, while giving her the experience of being part of a team. Diving on the Swim team just happened to be the perfect solution.

Despite her diminutive stature, it didn't take long for Danielle to make a big "splash" in the pool! By the middle of her freshman season, she had broken the previous six-dive record, which stood for 12 years, by 20 points, posting a score of 208.00 just weeks after taking up the sport. She continued to raise the bar as a sophomore, breaking her own record three times, placing 3rd in the Southern Conference, 5th in the MIAA Sectionals and 10th at the MIAA States. Her new record of 233.40 was the highest score, male or female, in MHS swim history. She was also the first MHS diver to place in the States since the late 1970's.

As a Junior, Danielle again posted a new record of 243.10, while also shattering her eleven-dive record from 343 to 456.10 points. She took first place in the Southern Conference, the MIAA Sectionals and was crowned MIAA Div. 2 State Champion. During her final season, Danielle was undefeated in dual meets, set a new six-dive record of 266.20 and won the MIAA Div. 2 State Championship for the second consecutive year. She still holds both the six and eleven-dive records at MHS.

After the swim season was finished, Danielle competed in USA Gymnastics at Level 9 at the State and Regional Level. As a Junior, she made it to the Eastern National Championships. Danielle went on to compete for all four years in Div. 1 Gymnastics at George Washington University, where she earned the Lindsey Ferris "Attitude Is Everything" Award, presented to the gymnast who most exemplifies vibrant spirit for life, sincere passion for her sport and selfless dedication to her team.
