

Sharon M. Andres
Class of 1981

Sharon Andres was an outstanding all-around athlete, leader and competitor. She earned four-year varsity letters in volleyball and softball, and a three-year varsity letter in basketball. Sharon captained all three sports in her senior year.

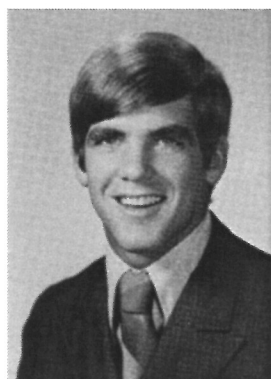

Sharon's athleticism and competitive attitude helped the Volleyball team to four Midland League Championships, two Central Mass. Championships and two State Runners-up. She led the team in scoring as a junior and senior, and her leaping ability allowed her to be one of the team's top blockers. A two year member of the All State Tournament Team, Sharon was also named to the Boston Globe All Scholastic Teams in both the 1979 and 1980 seasons. She was the team's Most Valuable Player during her senior year.

In basketball, Sharon's determination and dedication were her greatest assets. An outstanding offensive player, she helped lead the team to a 14-5 record, a 2nd place finish in the Midland League, and a district tournament berth in her senior year. A Milford Daily News All Star, Sharon was also the team MVP in 1981.

It was on the softball field, however, that Sharon truly excelled. The team's top pitcher and third baseman, she led the team to the Midland League title in 1981. On the mound, she set a school record by going 11-2, striking out 78 and walking only 30 in 135 innings. She hit .520 with 12 doubles, 7 triples, 8 homeruns and 30 RBI's. Her outstanding play on the field and at the plate earned her MVP honors in both 1980 and 1981, as well as a berth on the Milford Daily News and Worcester Telegram All Star teams.

Sharon finished off her stellar career at Milford High School as the winner of the Tony Correia Memorial Coaches Award. She received a scholarship to play volleyball at American International College. After college, Sharon continued to play competitive softball for a USSSA Class "A" World Tournament team. In seven years at this top level, she participated in 7 Regional, 4 National and 3 World tournaments.

The daughter of Mr. & Mrs. Louis Andres, Sharon has continued to contribute to the community as a volunteer coach for the Milford Special Olympics floor hockey team.

Thomas Delfanti
Class of 1972

Thomas Delfanti was truly a standout three-sport athlete at Milford High School who also excelled at the next level in baseball. One of the finest athlete's to ever wear the "red and white" uniform, the combination of Tom's intelligence and determination were only equal to his leadership ability as a captain of three sports as a senior.

On the gridiron, Tom was a two year starter at quarterback and a two-time Midland League All Star. He was one of the key players on the first undefeated football team in Milford High School history, leading the team to a record of 9-0 in 1970. His ability to throw the ball allowed the team to have one of the most balanced and potent offenses in Central Mass.

A three-year starter in basketball, Delfanti again led the team to a Midland League Championship and district play-off appearance during his senior year, the first successful season in many years. His efforts earned him a second Midland League All Star berth.

Tom's real strength, however, was on the baseball diamond. He started all four years at catcher, one of the toughest positions to master. During this time, the team won three Midland League Championships, made three District appearances, winning one championship in 1972, and finished as one of the top four teams in the state.

Tom was also a part of three of the most successful Milford Legion Baseball teams in the long history of the program. The 1970 and 1972 teams won State Championships, while the 1972 team finished second in the state. He continued his illustrious career as a three-year starter for Springfield College, captaining the team as a senior and leading them to the NCAA Division 2 Regionals.

Tom is married to the former Susan Mitchell, and has two sons, Mark and Michael.
