

Gregory J. Doyle **Class of 1978**

Greg Doyle was an instrumental player in Milford High School's rise to the top echelon of the best and most respected wrestling programs in the state of Massachusetts during the last half of the 1970's. A three-year varsity letter winner and a tri-captain as a junior and senior, during that time he helped the team to a dual meet record of 37 wins against 11 losses; three Division II South Sectional Championships; a 5th Place finish at the Division II States in 1976; a 2nd Place finish at the Division II States in 1977; and the Division II State Championship in 1978. He and teammate Jim Mazzuchelli also propelled MHS to a 3rd Place finish at the 1978 New England Championships.

After seeing spot duty in the varsity line-up as a sophomore, Greg had a breakout season in 1977 as a junior. Wrestling at 134 lbs., he compiled a dual meet record of 15-3, won the Div. II South Sectional Championship and finished 4th at the Div. II States. His accomplishments led to his being named the team's MVP.

Moving up to the 140 lb. weight class as a senior, Doyle quickly established himself as one of the best wrestlers in Massachusetts by placing 1st out of a field of 40 wrestlers at the prestigious Lowell Holiday Tournament, leading Milford to its only team championship ever at that event. Greg followed up his 11-0-1 dual meet season with his second successive Div. II South Sectional Championship. He then became the first wrestler in program history to win a State Championship by taking the Division II 140 lb. crown. After beating both the Rhode Island and New Hampshire State Champions in the first two rounds, Doyle finished his high school career as the New England Runner-up. Greg was named to both the Boston Herald and Boston Globe All Scholastic Teams and was the Boston Globe's Division II Wrestler of the Year.

Greg went on to have a successful wrestling career at Worcester Polytechnic Institute. As a junior, he was 11-4 in dual meets, helping the team to a record of 17-2, and took a third at the New England Championships at 150 lbs. He had a career record of 31-16-2 with 7 pins.

Brenner Abbott **Class of 1993**

Brenner Abbott was, according to his Hall of Fame Coach Dennis Breen, "just a terrific athlete, the kind of kid who goes headfirst into everything he tries...perfect physical qualities...very motivated...aggressive and confident." Those qualities helped him achieve something that very few Milford High School alumni have – a New England Championship.

Abbott was not just a one-sport wonder. An accomplished skier during the winter months, he served as a junior captain, and the only returning starter, on a very young and inexperienced MHS soccer squad. From his position as sweeper back, his strong play and leadership as a senior captain helped return the team to a level of respectability in the Mid-Wach League.

After being drawn to the pole vault as an event that intrigued him as a sophomore, Brenner went from just clearing the bar at 9'6" to becoming the best vaulter on the team and improving his personal and team best by two feet by the end of the year. As a junior, his improvement continued, despite the fact that, as the team's number one hurdler and also competing in the javelin, he couldn't devote as much practice time as needed to excel at such a technical event. Nonetheless, he won the Central Mass Division I Championship with a leap of 11'6".

Brenner continued his meteoric rise to the top echelon of high school track athletes in the state during his senior year. Once again competing in multiple events, he won the pole vault (13'0") and 330 High Hurdles (with an MHS and meet record time of 39.40 seconds) in the District E All Class Meet, and won the John Wallace Award as the Outstanding Athlete of the meet. He followed that up by winning the Division I State Championship in pole vault, clearing 13'6", and the New England Championship with a vault of 14'0, setting a new personal and school record. He was also voted by the 1994 graduating class as Most Athletic.

Brenner went on to compete on scholarship at the University of Maine. He was a four-year captain, was an All-Conference javelin thrower, and holds the school record in the pole vault. An Academic All American, he was the team's top point scorer over two years and led the team to two North Atlantic Conference Championships before a serious knee injury ended his career.
