

Beth Rainville Peacock **Class of 1977**

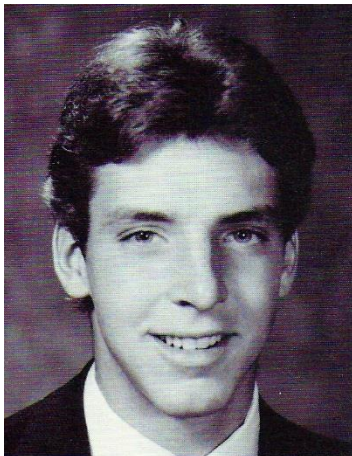

Beth Rainville Peacock made the most of her three years at Milford High School. Coming to MHS as a sophomore after St. Mary's Central Catholic closed, Beth had an immediate and lasting impact on three women's sports teams that were just coming into their own.

It was obvious to her future Hall of Fame Coaches Stephanie Slack and Linda Zacchilli that Beth was not only very talented, but also hard-working, dependable and coachable. These traits were not lost on her teammates, as her leadership on and off the playing field led her to be elected captain of all three sports- Field Hockey, Basketball and Softball- during her senior year.

Beth was a two-year starter on the Field Hockey team. A tireless worker and always aggressive to the ball, she helped the team to a record of 8-1-5, a second place finish in the Midland League and a berth in the District III playoffs during her senior year. She was named team MVP as a junior, and Midland League All Star as a senior.

On the basketball court, Beth was a shooting guard and a demon on defense. Averaging 15 points per game, she hit from the outside with long two-hand set shots before the advent of 3-pointers. Defensively, she was the leader of the press and converted many fast break lay-ups after a steal. She once again earned Midland League All Star recognition as a senior.

A slick fielder on the softball diamond, Beth was equally comfortable and capable at second base or shortstop. A solid hitter, she often batted in the middle of the lineup and could be counted on to produce runs. Her all-around performance during her senior year led to her being chosen a Midland League All Star and team MVP.

Michael J. Webber **Class of 1984**

Michael J. Webber was a standout three-sport athlete at Milford High. Though an obviously skilled player, his work ethic, intensity and mental toughness are what set him apart from his peers.

Mike starred in goal for the soccer team under Hall of Fame Coach Charlie Stand. The 6'1, 180 pound captain displayed an aggressive style in net often roaming far from the goal to challenge opponents. His best game as a senior was a 20 save effort against undefeated Algonquin that enabled the team to earn a tie. After a memorable 3-2 come-from-behind overtime victory over Assabet Valley in the quarterfinals, Milford dropped a heart-breaker to St. John's in the 1983 Central Mass semi-finals. Mike posted nine shut-outs, 140 saves and a .90 goals against average that season, which led to his being named a Milford Daily News

and Central Mass. All-Star for the second year in a row, as well as team MVP.

A prolific rebounder and steady scorer under the boards, Mike averaged 12 points and 10 rebounds a game his senior year, playing on Coach Steve Manguso's first varsity squad. Relying on quickness and positioning, the team MVP had his best game, 23 points and 12 rebounds, in an overtime loss to Westboro.

On the baseball diamond, Mike was a line-drive hitting right-fielder who rarely struck out. He batted .300 and led the team with 15 RBI's as a junior to help Milford win the Midland League Championship. His .330 average the following season helped lead the team to a 17-3 record.

Mike played on the 1984 State Finalist Milford Legion Baseball Team for one season before enrolling at Holy Cross. A four-year starter in goal, he holds soccer records for best save percentage, both in a season and career, and career saves.
