

2001 Girls Volleyball Team
Midland-Wachusett League Champions
Central Sectional Champions
Div. 2 State Runner-up
22-5

The 2001 Girls Volleyball Team was one of the most successful in the rich history of the program. Cohesiveness on and off the court proved to be the game winner in almost every encounter. The team compiled a record of 18-4 during the regular season, losing only to the Division 1 and Division 3 State Champions. Along the way, they were undefeated in league play and walked away with the Midland-Wachusett League "A" Championship.

On the court, the girls exemplified the true meaning of the word "team". With seven seniors providing strong leadership, they were a well-rounded, spirited, and caring group who strove to play top-notch volleyball while having fun. Emily Kearnan, Jamie Locke, Danielle Mainini, Lindsey Marts, Lauren Messer, Amanda Rice and Leslie Yarsites were the nucleus that bonded with Carrie Cucchi, Kate Goggins and Jamie Pardee to work towards one goal- a state championship.

On route to the Division 2 State final- the first team in program history to reach that plateau since 1980- they did not lose a single set during the Sectional or State Semi-final competitions. Although the team fell short of their ultimate goal- losing 3-1 to Case High in the Div. 2 Finals- they will always be remembered as a close-knit group determined to leave their mark for others to shoot for.
