

Jill KearnsBrewer

Class of 2008

Jill Kearns Brewer had a reputation, or two, to live up to as a member of the Milford High School Girls Swim Team when she burst onto the scene as a freshman in 2004. Her sisters Sarah and Molly had made the Kearns name one to be feared in pools across the state. Needless to say, she did not disappoint.

After rolling through the dual meet season undefeated in all of her events, Jill won the 200-yard Freestyle at the South Sectionals and followed that up by placing second in both that event and the 100-yard Butterfly at the Division II State Championships. Along the way, she broke school records in the 100 Butterfly, 200 IM, and 100 Breaststroke.

Jill once again put up another undefeated dual meet season as a sophomore but added to her accolades with a second-place finish in the 200 IM and a Division II State Championship in the 500 Freestyle.

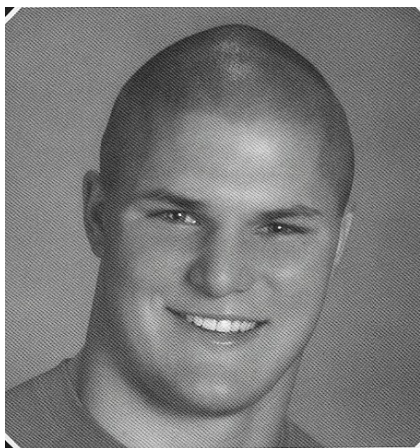

Jill was absolutely dominant during her junior season. She won the 200 IM at the Division II States by over three seconds and cruised to victory in the 500 Freestyle by nearly five seconds! She was named Boston Globe Division II Swimmer of the Year, and Team MVP for the third year in a row.

Jill's stellar career wrapped up with another undefeated dual meet season, and she left Milford High with five school records. She was a four-time Southern Conference, MetroWest, Boston Herald and Boston Globe All Star.

She went on to swim at Northeastern University, where she set new school records in the 400 IM, 200 Meter Butterfly, and 400 Medley Relay. The Team MVP as a junior, at the end of her senior year she won the Janet Swanson Award given to the "team member who contributed most to the development of the Northeastern Swimming program, not only through her performance in the pool, but through her dedication to her teammates and as an exceptional leader." She now competes in Open Water races.
