

James J. Mazzuchelli
Class of 1978

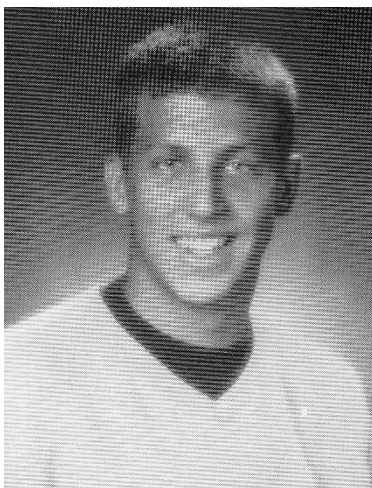

Jim Mazzuchelli built a well-deserved reputation as one of the toughest athletes, both physically and mentally, to have ever suited up for Milford High School. Not many individuals could match his tenacity and perseverance as a competitor.

A three-year starter on the football team, Jim displayed his talents on both sides of the ball. As a fullback on offense, he was a devastating lead blocker from the I-Formation, clearing the way for a power running game. He was also counted on in short-yardage situations to blast through the line for critical first downs. As linebacker on defense, he usually wound up in the middle of every big defensive stop with a bone-jarring tackle. As a captain during his senior year, he helped lead the 1977 squad to a 6-3 record.

Jim was also a three-year starter on the wrestling team, where his physical toughness and methodical style served him well. He emerged as a force to be reckoned with as a sophomore when he placed third in the Sectionals at 157 lbs. He followed that up with a 7-2 record as a junior after missing the first half of the season with a broken ankle.

Mazz became one of the most respected and consistent wrestlers in Massachusetts as a senior. Wrestling at 170 lbs., he started to open eyes with a second place finish in the prestigious Lowell Holiday Tournament. He then went on to compile a 11-1-1 record during the regular season, recording 7 pins along the way. He completely owned the tournament season, winning Div. II Sectional and State Championships while leading Milford to its first State Championship. His mental toughness was on display in the State Championship finals when battled a 102 degree fever to earn a 3-2 victory.

Jim finished his career with a New England Championship, the first MHS wrestler to accomplish that feat. In order to achieve that, he had to beat the New Hampshire, Maine and Massachusetts Div. I Champions in consecutive matches. After putting together one of the most successful individual seasons ever for any MHS athlete, he was named to the Boston Globe All Scholastic team.

Trevor Walker
Class of 2000

As the curtain came down on the 20th Century, Milford High School experienced unparalleled success on both the soccer pitch and basketball court. It was no coincidence that Trevor Walker had a lot to do with that success. As a freshman, he made his initial appearance on the varsity for both teams at tournament time.

A three-year starter as a midfielder, Trevor played a key role in elevating the soccer program to one of the elite teams in all of Massachusetts. From 1997 to 1999, the team captured two Midland Wachusett League "A" Championships, two Div. I Central Sectional Championships in 1998 and 1999, and was the Division I State Runner-up to Marshfield High School in 1998. Walker was selected to the Mid Wach League All Star Team in his junior and senior years, and was also a Central Mass Division I All Star in 1999.

Trevor duplicated those team accomplishments on the basketball court, once again helping lead the team to three Mid Wach "A" Championships, two trips to the Div. I Sectional Finals, a Div. I Sectional Championship and an appearance in the Div. I State Finals in 1998. Walker earned Mid Wach "A" and Central Mass Div. I All Star berths as both a junior and senior, as well as leading the Midland Wachusett League in scoring and 3 Pointers both years. A team captain and MVP during his senior year, Trevor finished his MHS career with 1,039 points.

Walker went on to star at Clark University, scoring over 1,500 points during his four-year career. Over that time, he was a four-year starter, a three-time NEWMAC All Star and was named an ECAC All New England 1st Team All Star as a junior. A team captain as a senior, Trevor still holds Clark records for Most Games Played and Most Games Won as a player, and Most Career Three Pointers. He also one of the Top Ten Scorers in school history.
