

Interested in applying your physics or engineering knowledge to medicine?

APPLICATION
DEADLINE:
February 5, 2025

Then the **SUMMER UNDERGRADUATE FELLOWSHIP PROGRAM** is for you!

Summer Undergraduate Fellows are selected on a competitive basis. The top candidates select from a comprehensive list of mentor-defined (research and/or clinical) projects based at institutions in the U.S. and Canada.

\$6,000 stipends will be awarded to selected students on a competitive basis. The stipend is based upon an expectation of 40-hours per week for 10 weeks during the summer (May through September).
